

KIRAN SHAHI

COMPUTER SCIENCE STUDENT | SOFTWARE ENGINEERING INTERNSHIPS

La Palma, CA | (562) 574-9957 | work.kiran01@gmail.com

linkedin.com/in/kiran-shahi | github.com/workkiran01-lab

EDUCATION

California State University, Long Beach

Fall 2026 - Present

B.S. Computer Science, in progress

Cypress College

2024 - 2026

Computer Science coursework; transferred to CSULB

TECHNICAL SKILLS

Languages: TypeScript, JavaScript, Python, SQL, Java, C++, HTML/CSS

Web development: React, Node.js, Vite, Tailwind CSS, Three.js, Framer Motion

Backend & tools: Supabase, PostgreSQL, Stripe, REST APIs, Git/GitHub, Vercel

PROJECTS

ParkOS | Multi-Tenant Parking Management SaaS

park-os-six.vercel.app

React, TypeScript, Supabase, PostgreSQL, Stripe

- Built and deployed a parking management SaaS app; scoped tenant records with org_id and PostgreSQL row-level security in Supabase.
- Integrated Stripe payments, booking codes, and PDF receipts with QR verification into reservation workflows.
- Developed an operator dashboard with custom SVG charts and CSV export, without a charting dependency.

F1 Tax Helper | AI-Powered Student Tax Guidance

f1taxhelper.com

React, Supabase, Groq API, Upstash Redis, pdf-lib

- Built an F-1 student tax app with a questionnaire, residency-status logic, and document checklists.
- Integrated Groq's Llama 3.3 API for contextual chat and generated downloadable Form 8843 PDFs from guided student inputs with pdf-lib.
- Implemented Google OAuth and persistent user data with Supabase; added request rate limiting and validation of client-supplied chat roles.

Interactive Portfolio | 3D Web Experience

[GitHub source](#)

React, Three.js, React Three Fiber, Framer Motion

- Built a scroll-driven 3D experience with morphing particle geometry, interactive cards, lazy-loaded WebGL, and reduced-motion controls.

EXPERIENCE & LEADERSHIP

Student Service Assistant

Jun 2025 - Present

International Student Program, Cypress College

- Lead a data-management project to standardize how records are organized, scanned, and maintained in OnBase for staff handling 200+ student cases.
- Guide international students through enrollment and campus resources; coordinate documents and support program events.

Elected Officer, ISP Club

Cypress College

- Plan and run ISP Club events with fellow officers and program staff for the international student community.
